

# What next ...

## How to accept your offer

1. Read the offer carefully including the Terms and conditions
2. Complete and send the Acceptance Form to [admissions@arucollege.com](mailto:admissions@arucollege.com). The Acceptance form is included within the unconditional offer letter (last two pages).
3. Provide evidence of your Student Finance funding or pay your tuition deposit (stated on the offer letter).

## Funding your studies

If you're from the UK or EU and you're applying to University for the first time, you may be able to apply for a student loan -through Student Finance England- to pay your tuition fees.

You need to provide evidence with your acceptance that you are using Student Finance. This is normally done by providing us with a CRN/Entitlement Letter. For EU applicants, in the event we are close to the start of the intake, we can also accept a copy of your completed application and proof of posting to SFE.

Please refer to our ARU College Student Finance application guide on the following links:

### UK students / EU students

If you are paying your tuition fees directly, please see the payment details at <https://www.arucollege.com/admission/fees>. The College Terms and Conditions, including payment and refund information, can be found at <http://www.arucollege.com/about/policies-and-procedures>

## Accommodation

Follow these three steps and always contact us if you're ever unsure of anything:

1. **Familiarise yourself with the ARU Accommodation options.** You can view all the options available on the [ARU Accommodation website](#)
2. **Get your login details to book online.** Fill in our [online accommodation form](#). It will take a few days to update your student record to get your login details.
3. **You are ready to book!** Once we have received your online accommodation form, we will email your ARU Accommodation Login details to you.

Please refer to our accommodation website for more information and please do not hesitate to contact us at [accommodation@arucollege.com](mailto:accommodation@arucollege.com).

## Registration

We ask all new students to attend the on campus registration week sessions.

One month before registration start to check your emails regularly. You will receive an invite to book an on campus registration appointment. At this appointment staff will help you to successfully register as a student.

Further details about our registration process can be found [here](#).
