# 10 reasons to study at Anglia Ruskin University

With countless universities and study destinations to choose from, why should you choose ARU for your study adventure?

## 1. Top 350 university

To do the extraordinary, it helps to study somewhere extraordinary – and Anglia Ruskin University has been ranked in the top 350 universities in the world\*.

## 2. Top 150 in Europe

Anglia Ruskin University has also been ranked in the top 150 universities in Europe and the top 40 in the UK\*!

## 3. Historic foundations

The University has a long-established history – John Ruskin opened Cambridge School of Art in 1858 – but is now fully focused on supporting your future.

## 4. Two locations near London

Historic Cambridge is a university city and is internationally renowned as a centre of learning. It is approximately 55 miles from London, taking just over an hour to get there by train. Chelmsford is one of the UK's newest cities with a lively student community – you can reach London from Chelmsford by train in around half an hour!

## 5. Subject expertise

ARU offers degrees in a vast range of subjects and is highly ranked for many of them: in 2022 the university was ranked #3 in the UK for Sports Science.

## 6. Truly international campuses

One in five students come from outside the UK to study at ARU - so wherever you are from, you're sure to feel at home here.

## 7. Award-winning facilities

The quality and value of the University's facilities have also been recognised, with praise for its 'excellent' learning environment<sup>¶</sup>.

## 8. Responsive staff

As well as access to high-quality teaching and facilities, you are sure to have a positive student experience: ARU came out in the top 25% of mainstream universities for 'assessment and feedback' and 'learning community' in the National Student Survey 2021.

## 9. Lively student community

With a thriving Students' Union, 120 student societies to join and city life right on your doorstep - whichever campus you're studying at - there's never a dull moment!

## 10. Flexible entry points

A wide range of undergraduate and postgraduate degrees are accessible via flexible entry points at ARU College.

## Entry and Progression Points:

"From the moment I arrived in Cambridge, I found it the best of two worlds: I had access to all the shops, transport and opportunities as I would have in a big city, but I could still go to many green spaces and have that taste of home. Choosing this city as a place to study was the best decision I have ever made."
